

Word Cloud for Error Descriptions

A word cloud visualization of error descriptions. The words are arranged in a non-uniform, overlapping manner. The colors of the words are: 'trailing' (teal), 'found' (light green), 'followed' (teal), 'spaces' (teal), 'preceded' (light green), 'line' (green), 'operator' (dark blue), 'characters' (teal), 'whitespace' (dark blue), and 'longer' (green). The words 'operator' and 'whitespace' are the largest and most prominent.

trailing found followed
preceded line spaces
operator
characters
whitespace longer
